Docket No. BPH-1 Applicant: Koleng et al. Filing Date: 4/2/2004 - 1/6-

FIG. 1

Influence of Storage on the Dissolution of Mg from Magnesium Oxide
Tablets Manufactured by Genesis Products, Inc.
(Lot 312103, Exp. Date May 2006)

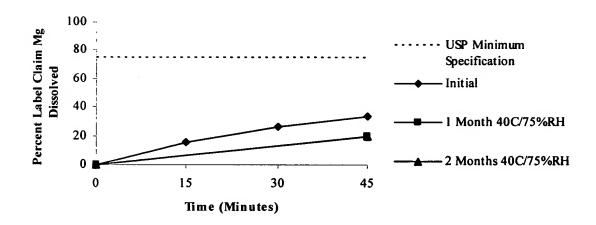

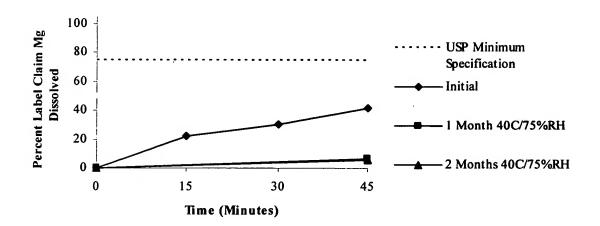

FIG. 2

Influence of Storage on the Dissolution of Mg from Magnesium Oxide
Tablets Manufactured by Cypress Pharmaceutical, Inc.
(Lot 16740, Exp. Date June 2005)

Docket No. BPH-1 Applicant: Koleng et al. Filing Date: 4/2/2004 - 2/6-

FIG. 3

Influence of Storage on the Dissolution of Mg from Magnesium Oxide
Tablets Manufactured by Leiner Health Products.
(Lot 3KA0031, Exp. Date August 2006)

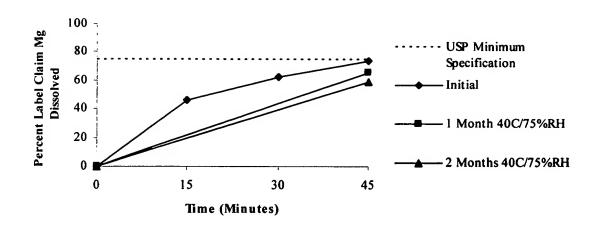

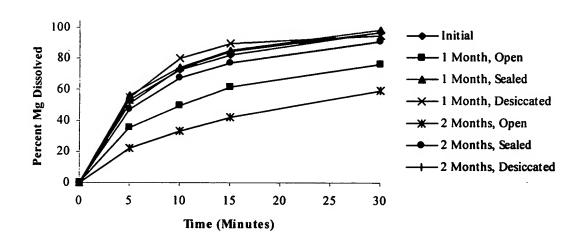

FIG. 4
Influence of Packaging and Storage on the Dissolution of
Mg from Magnesium Oxide

Docket No. BPH-1 Applicant: Koleng et al. Filing Date: 4/2/2004 - 3/6-

FIG. 5

Influence of Excipients on the Dissolution of Mg from Binary Mixtures of MgO and Excipient

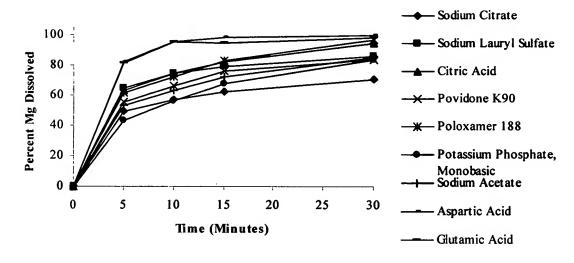

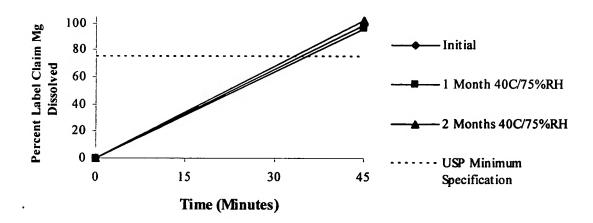

FIG. 6

Influence of Temperature and Relative Humidity on the Dissolution of Magnesium Oxide Tablets Prepared by Direct Compression Lot 2003-018-46

Docket No. BPH-I Applicant: Koleng et al. Filing Date: 4/2/2004 - 4/6-

FIG. 7

Influence of Temperature and Relative Humidity on the Dissolution of Magnesium Oxide Tablets Prepared by Direct Compression Lot 2003-018-47

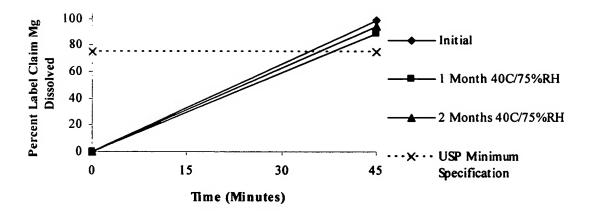

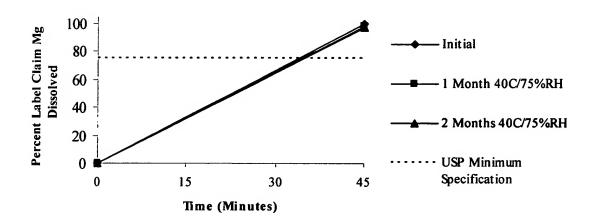

FIG. 8

Influence of Temperature and Relative Humidity on the Dissolution of Magnesium Oxide Tablets Prepared by Direct Compression Lot 2003-018-48

Docket No. BPH-I Applicant: Koleng et al. Filing Date: 4/2/2004 - 5/6-FIG. 9

Influence of Temperature and Relative Humidity on the Dissolution of Magnesium Oxide Tablets Prepared by Direct Compression Lot 2003-018-49

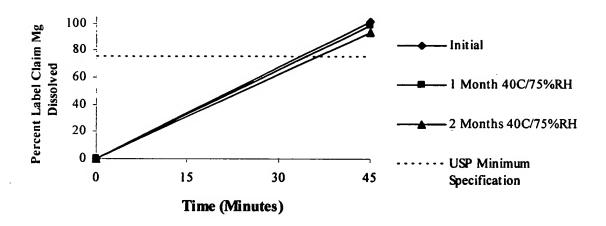

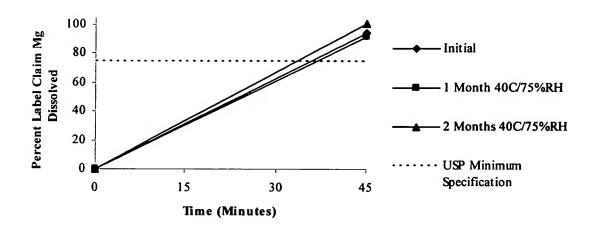

FIG. 10

Influence of Temperature and Relative Humidity on the Dissolution of Magnesium Oxide Tablets Prepared by Direct Compression Lot 2003-018-45

Docket No. BPH-1 Applicant: Koleng et al. Filing Date: 4/2/2004 - 6/6-

FIG. 11

Influence of Temperature and Relative Humidity on the Dissolution of Magnesium Oxide Tablets Prepared by Dry Granulation Lot 2003-018-58
